1. Wheelchair only;
2. Walking only;
3. Intellectually impaired only.

Art.3

Individual competitions will follow the bellow described system:

I. The individual competition will follow the dispute system presented here (1st phase in groups and following a simple eliminatory phase), the heads will be decided by the ranking of CBTM, dated at the first day of the competition month.

II. The higher scoring athlete will be placed at position number 1, second higher scoring athlete at number two, and so on. If two or more athletes have the same score, the position will be decided by a draw.

III. Every Student Athletes registered at CBTM web system will be placed following the ranking, those not registered will be placed in latter draw.

IV. Groups will be defined at technical congress, by the sport technical coordinator.

V. The Student Athletes will be allocated by the technical coordinator in groups of at least 3 (three) and a maximum of 5 (five). Playing in the next phase the 2 (two) best Athletes per group.

VI. From the 2nd phase and forward, games distribution will follow CBTM established criteria.

VII. During Qualifying phase, if two Student Athletes ends up tied, the untying decision will be based in direct confrontation.

VIII. During Qualifying phase, if three or more Student Athletes ends up tied, the untying criteria will be verified by the following formula:

Games won

Games won + Games lost

The Student-Athlete with better coefficient will be classified:

- a. If tie remains, same formula will be used for sets. The student with better coefficient will be classified.
- b. If tie remains, same formula will be used for points. The student with better coefficient will be classified.
- c. If tie remains, decision will be done by draw.
- d. The Student-Athlete that, by any reason, won't finish his game program, that means lose by WxO, in the group phase will lose effect of previous and next games, being automatically out of competition.

Art.4

Team competition will follow the system described below:

I. Technical Coordinator will state if the competition will use group system or simple eliminatory. In case of group system, the group "heads" will be decided based on CBTM rating, dated at the first day of the competition month, getting a mean score out of the sum from all team entry.

II. The higher team mean will be placed at position number one, second higher team mean at number two, and so on. If two or more athletes have the same score, the position will be decided by a draw.

III. The IHE that bring a single Male/Female Student Athlete, will be able to join a draw, during technical congress, to form teams with other Student Athletes from different IHE in the same situation.

IV. Both losing semi-finalists will be considered 3rd place.

V. Every Teams/Student Athletes registered at CBTM web system will be placed following the ranking, those Teams/Student Athletes not registered will be placed in latter draw.

VI. The game system used in the team competition will follow "Marcel Corbillon" creation: 5 (five) games shall be played, Victory will be awarded to the first team to reach 3 (three) wins. Games structure will be as follows:

1st game: A x X

2nd game: B x Y

3rd game: double game

4th game: A x Y

5th game: B x X

VII. The technical coordinator will decide if games will be disputed in first to 2 (two) or first to 3 (three) sets system, of 11 (eleven) points in each set, groups phase and eliminatory.

Observations:

1. In the Team Category, teams with Student Athletes from different IHE will be allowed. Each Student Athlete should use their own IHE uniform. In this case, final score will be divided by the two IHE.
2. In Individual Category, each student-athlete from the same delegation won't be placed in the same group for classificatory rounds, even if their CBTM rating suggest it. In this case, the Student Athlete will be placed on the subsequent position.
3. Paddle change will not be allowed during a game, unless it comes to be damaged during the game.
4. 4 (four) to 8 (eight) blue or green colored official tables, of CBTM's recommendation brand, will be used during the competition (according to the entry number), nets and supports, as well as the balls (white, 3 stars), approved by International Table Tennis Federation.
5. Uniforms in white color will not be allowed for the Student Athletes.

Art.5
